

Text Selection Checklist

Overview: Use this checklist to help you think through the various factors you need to consider when selecting a text for use in your classroom. **Tip:** You can make as many copies of this document as you need! You might also consider using this as a grade-level team or department!

Title of Text:			
	Yes	No	Unsure
Does this text enhance my students' content knowledge and meet my instructional goals?			
Is the reading level of this text appropriate for most of my students?			
Is this text suitable and engaging for my students? <i>Is it appropriate? Do students have enough context for this text? Will my students be engaged?</i>			
For this particular text, what supports (if any) would help make it more accessible to more students and feel instructionally appropriate? (Circle/highlight all that apply):			
Differentiate Texts for Small Groups	Excerpt the Text	Change the Text Level	Add Audio Support
Other supports and/or strategies that might be useful to increase comprehension:
