

Professional learning with purpose.

Bring practical, evidence-based online professional learning to your school—with tools and resources that support learning beyond the course.

Scale & Sustain Professional Learning with lilyPD

98%
Course
Satisfaction

Skills-Based & Self-Paced

- 5-hour microcourses educators can complete on their own schedule.
- Research-based instructional strategies and classroom-ready resources.
- Aligned with national and state standards.

High-Quality, Collaborative Design

- Co-created through William & Mary's Strategic Cultural Partnerships office with teachers, faculty, researchers, and museum professionals.
- PD certificates endorsed by William & Mary's School of Education.

Guided Support for School Leaders

- Enroll educators, assign courses, and track progress.
- Use the **lilyPD Success Playbook** to plan, launch, and sustain engagement.

Flexible Implementation Pathways

- Fits into your school's existing professional learning model.
- Use with PLCs, coaching, department meetings, PD days, or self-paced learning.
